

# Pricing & Getting Started

NASA research shows that filling as little as 2% of your area with foliage will help achieve the many benefits of having indoor plants. For a 120 square foot room, that's only 3 plants!

*We ensure that you always have beautiful and thriving plants.*

Orchids for the People offers flexible pricing. We offer free consultation and design to help you choose the best number and arrangement of plants to fit your budget and needs.

*Call (707) 840-0223 today to schedule your free consultation!*

## Professional Plants & Petals Pricing:

### Orchids only Package:

2 plants ..... \$42 per month  
*Blooming orchids in high-quality pottery. Additional plants at \$21 each per month. Discounts for 10 or more orchids or when combined with the foliage or owned-plant maintenance options.*

### Foliage Plants only Package:

Up to 5 plants ..... \$65 per month  
*Plant package includes a combination of tabletop plants and floor plants 2' - 5' tall in high-quality pottery, as agreed upon by Orchids for the People and client. Discounts available when combined with the orchid or owned-plant maintenance options.*

*All prices are subject to change*

Plant Rentals and  
Maintenance**

# We Bring Beauty and Value

## Beauty. . .

Beautiful orchid and foliage plants in high quality pottery. Orchids for the People staff water, feed, clean, and replace plants as needed.

*We ensure beautiful and thriving plants.*

## Value. . .

*Orchids for the People has over 15 years experience maintaining plants*

in a variety of business settings – from small boutique shops, auto shops, professional offices and waiting rooms, to large indoor malls. Our knowledgeable and professional staff ensures your place of business is always beautiful and welcoming.

*Let our staff do the work, so your staff can focus on theirs.*

# Why Have Indoor Plants?

◆  
Healthy plants project an image of organizational health and success

◆  
Plants provide a beautiful, interesting and relaxing atmosphere for your clientele and staff

◆  
Research shows that indoor plants increase worker productivity and lower stress levels

◆  
Plants remove dust and toxic chemicals such as carbon dioxide, benzene, ammonia and formaldehyde
